

WhiteLite™

TABLE/FLOOR-TOP PROJECTION UNIT

The WhiteLite projector features ease of operation along with portability and beauty. Simply set the unit on a table top or floor and plug into the nearest outlet. Focus and orientation is accomplished by sliding or rotating the control rods located in the front of the light tube.

The WhiteLite projector is a complete projection system consisting of a white powder coated housing, stand, and 6ft power cord. Contact RazTech Lighting for custom variations.
